

Husky Journal

A PAW-SITIVE PUBLICATION NOV. 2023

FRIDAY, NOV. 10

HUSKY HOUSE IS CLOSED

MONDAY, NOV. 20 -

WEDNESDAY, NOV. 22

PARTY DAYS

The deadline has passed for 11/20-11/22 sign ups. Please email us to inquire about our availability if you are needing care for these dates. 11/20-11/21 Hours are 8:30am-5pm and 11/22 8:30am-3:30pm

THURSDAY, NOV. 23 -

FRIDAY NOV. 24,

HUSKY HOUSE IS CLOSED

FRIDAY, DEC. 22

EARLY DISMISSAL

If your child is regularly contracted to attend Husky on an early dismissal day, we are expecting them at their early dismissal timing. Please contact us directly if your child will not attend Husky on this day.

MONDAY, DEC. 25 HUSKY

HOUSE IS CLOSED

FOR WINTER BREAK:

If minimum enrollment is not reached by the sign-up deadline, Husky House will need to cancel specific party days.

We will notify families, as soon as this deadline passes, of any party day closures.

Husky Happenings

Our 1st-5th group and teachers have been collaborating and developing monthly themes based on the children's current interests. These themes will be held on the last week of the month and used for activity focuses to scaffold learning and comprehension.

The week of November 27 will have "pumpkin-themed" activities involving crafts, group games, special cooking projects, literacy challenges and more. We would very much appreciate any donation of unused pumpkins for this well-anticipated theme!

DONATION REQUESTS

- younger boy undergarments
- Golf tees
- Child-appropriate magazines for collages
- Unused pumpkins by 11-27
- Neutral-holiday gift wrapping paper for the Top Dog project

THANK YOU!

Top Dog News

The Top Dog (4th&5th grades) October special cooking project was a huge success and our group looks forward to many more opportunities to share what we create together.

The Top Dogs have expressed great interest in learning and practicing the art of gift-wrapping. If you have partial rolls of old wrapping paper or other gift wrapping supplies to donate, please contact our office. The 4th and 5th graders would appreciate it!

After learning the skills, the group hopes to provide a donation-based service to families for the upcoming holiday season. These donations will go towards a group-decided treat, activity, or event.

Husky Pup Plans & Themes

The Husky Pup themes for November are **mindfulness** and the **forest biomes**. Many of our circle times will have a focus on mindfulness practices to help support a better understanding of self-awareness and control. This can lead to more understanding of our individual impact on our environment and the people around us. Some of our circle time books will be, *The Quiet Book*, *Too Noisy* and *The Rabbit Listened*.

Our group is excited to learn more about forest habitats and the variety of animals, plants, and other living things that thrive in this habitat. Some of our choices will be forest puppets in the play kitchen, sensory bin with letter rocks and leaves to sort, play-dough with forest mats and more!

Reminders

Please double check that the children have water bottles ready to go for the day. This helps to reduce the amount of paper cups used, ensures hydration, and makes water more easily accessible to the children while transitioning from one play area to the next.

Please be sure to check our lost and found bin located in the front of our Main Building for any misplaced belongings. We go through this bin every Friday with the children. The unclaimed items without names are then bagged and sent to the school's lost and found bin at the end of the week.

We very much appreciate the help with these reminders! Thank you!
